

## A Report on Poster Competition organized to Celebrate World Environment Day - 2021

- In **1972**, the UN General Assembly designated **5 June** as **World Environment Day (WED)**. The first celebration, under the slogan **“Only One Earth”** took place in **1974**. In the following years, WED has developed as a platform to raise awareness on the problems facing our environment such as air pollution, plastic pollution, illegal wildlife trade, sustainable consumption, sea-level increase, and food security, among others. Furthermore, WED helps drive change in consumption patterns and in national and international environmental policy. WED celebrations have been held annually since 1974, in 1987 the idea for rotating the center of these activities through selecting different host countries began.
- 2021 Theme of world environment day is **“Ecosystem Restoration”**. It can take many forms: Growing trees, greening cities, rewilding gardens, changing diets or cleaning up rivers and coasts. This is the generation that can make peace with nature.
- To celebrate world environment day 2021, **Bhutpurv Vidhyarthi Mandal and Ek Bharat Shreshtha Bharat** team of Dr. S. & S. S. Ghandhy College of Engineering and Technology, Surat and **Water Management Forum, Ahmedabad** jointly organized **“Poster Competition”** on **05/06/2021** through online mode.
- Topics of competition are given based on annual themes of world environment day in different years.
  - 1) Ecosystem Restoration (2021, Pakistan)
  - 2) Time for nature (2020, Colombia)
  - 3) Beat Plastic Pollution (2018, India)
  - 4) Forests: Nature at your service (2011, India)
  - 5) Your planet needs you – Unite to combat climate change (2009, Mexico)
- Total 58 students of Dr. S. & S. S. Ghandhy College of Engg. & Tech., Surat, GEC, Surat and GGP, Surat had actively participated in this competition. Among all the participants, 3 best posters were selected and give them prize to motivate them. 5 students were also awarded with consolation prize.
