2	Seminar	19/07/2022	Seminar Hall	59

DESCRIPTION

Soil is the loose surface material that covers most land. Under handful of soil, nos of living organisms are more than that of living human on the earth today. These organisms make earth live, fertile and productive for growing crops through which human subsistence and life is rest. To spread awareness about importance of soil in human life, "SAVE SOIL" Movement was started by the Isha Foundation led by Sadhguru. To spread consciousness about this, NSS Unit of Civil Engineering Department of Dr. S. & S. S. Ghandhy college of Engg. & Tech., Surat under the Azadi Ka Amrit Mahotsav is an initiative organized awareness drive on this.

This awareness drive was joined by 3 faculties and 59 students.

3	Day Celebration	15/02/2022	SSGP, Surat	All Students

DESCRIPTION

The Department organized a celebration called "Suit and Saree Day" which encouraged students to dress up in traditional Indian attire. The Event was organized as part of the initiative to celebrate G20 Presidency Year. The event saw students donning elegant suits and colorful sarees, and participating in ramp walks and dance performances. The atmosphere was filled with excitement and energy as the students showcased their outfits and talents on stage. This celebration not only helped promote the rich cultural heritage of India but also provided an opportunity for students to express themselves through their unique sense of style and creativity. Overall, the Suit and Saree Day celebration was a huge success, creating a fun and engaging experience for everyone involved.
