<p style="text-align: center;"><u>DESCRIPTION</u></p> <ul style="list-style-type: none"><i>The Puneet Sagar Abhiyan Rally held recently was a commendable initiative, with 29 enthusiastic cadets actively participating in various events aimed at promoting environmental awareness, specifically focusing on a "Plastic Free India" campaign. The rally itself was a vibrant spectacle, showcasing the commitment of the cadets to the cause. Waving banners and chanting slogans, the cadets marched through the streets, capturing the attention of onlookers and spreading the message of environmental conservation.</i><i>In addition to the rally, the cadets displayed their creativity and advocacy skills by engaging in the art of poster making. Each poster served as a visual testament to their dedication to the Puneet Sagar Abhiyan, emphasizing the detrimental impact of plastic on the environment and urging the community to adopt eco-friendly practices. The posters not only demonstrated the cadets' artistic talents but also became powerful tools for education and awareness.</i><i>Furthermore, the inclusion of a drama performance added a dynamic dimension to the campaign. The cadets, through their theatrical presentation, effectively conveyed the consequences of plastic pollution and the urgent need for sustainable practices. The drama not only entertained the audience but also left a lasting impression, compelling spectators to reflect on their own roles in creating a plastic-free society.</i>
