Established in 2017, MG Motor India Pvt Ltd is a wholly-owned subsidiary of SAIC Motor Corp. The vision is to develop the values that made MG world famous and deliver stylish cars that customers love to drive at affordable prices. With 31% of female workforce, we at MG Motor India celebrate diversity every day. We have our plant at Halol, Vadodara and our corporate office is located in Gurgaon.

We are looking forward to hire fresh diploma graduates from reputed institutes as Diploma Apprentice Trainees. During the tenure of their training with us, the students will get a practical experience of automobile manufacturing setup, which is also a start-up in India. Along with making priceless contacts, students will acquire their technical skillsets that will give them an edge for future prospects.

We would appreciate if you can share the department-wise bifurcation of students who are available for this programme as per the eligibility criteria mentioned below. Also, kindly share the diversity ratio (percentage of male & female) of these students. **We are specially looking for male candidates from Mechanical stream**

## Eligibility criteria:

- Diploma pass outs with 60% aggregate throughout (2019, 2020 pass outs)
- 10<sup>th</sup> – 60% and above
- No Backlogs

Transportation and Canteen Facility will be available to Trainees.

We at Bajaj Auto Ltd are delighted to invite you at our organization to participate in “DTE Virtual Placement Drive 2021” to be organized on 30<sup>th</sup> July 2021 at 09:00 AM.

The Bajaj Group is amongst the top 10 business houses in India. Its footprint stretches over a wide range of industries, spanning automobiles (two wheelers manufacturer and three wheelers manufacturer), home appliances, lighting, iron and steel, insurance, travel and finance. The group's flagship company, Bajaj Auto, is ranked as the world's fourth largest three and two wheeler manufacturer and the Bajaj brand is well-known across several countries in Latin America, Africa, Middle East, South and South East Asia.

Bajaj Auto exports to 70+ countries and a significant share of revenues come from Exports. This stands as a testament to the new brand image – The World’s Favourite Indian

As of every year, we are recruiting Diploma Trainee Engineers (DTEs) from Mechanical, Production, Automobile, Tool & Die Engineering, Electrical, Electronics and Telecommunication.

## **Eligibility criteria :**

1. Students appearing in the final year of Diploma Engineering and passing out / completed their diploma education in June / July 2021.
2. Percentage (%): Minimum 50% Marks in each semester, Backlogs and ATKT criteria for eligibility: Maximum 6 subject backlogs during Diploma / Polytechnic in the past (No live backlog accepted)
3. There should not be any loss of academic semester / year during the entire tenure of education.
4. Candidate should be medically fit (medical fitness of the candidate is mandatory). Please note, the final decision about the medical fitness of the student will be certified by our company medical office.
5. DTE will be working in manufacturing plant on assembly line.

We will be conducting the online test (Technical + Aptitude and Personality), through HirePro. Team from HirePro will share the system requirement and test links directly to the candidates. The students shortlisted through the online test will undergo a personal interview (Technical + HR) .The documents to be shared for verification.

**Selected students will join Bajaj Auto as a Diploma Trainee Engineers (DTEs) at a stipend of Rs. 11,500/- p.m. at our Chakan (Pune) / Waluj (Aurangabad) Maharashtra.**

Thanks & Regards,

Team Bajaj Auto
